

CPWplus Weighing Scales

The CPWplus scales are stainless steel platforms durable for any kind of equipment. The scales have a simple operation and a hold function. The hold function recalls the readings on the display even after the item has been removed from the scale. The CPWplus has battery and AC operation and its rugged construction is easy to clean after any mess placed on the scale.

Features:

- Vivid, backlit LCD easily visible in any lighting conditions
- Color-coded keys facilitate quick recognition of the most frequently used buttons
- Rugged construction stands up to industrial use
- Splash-proof housing, keypad and display are easy to clean
- Wall-mount bracket for placing indicator on vertical surface
- Auto power-off to save energy
- Selectable digital filtering helps minimize effects of vibration and disturbances
- Zero-tracking feature ensures display returns to zero reading
